IT'S NEVER TOO LATE TO PARTICIPATE!

There are many ways in which you as the student can actively participate and get involved with the university. We encourage you to do the following:

1. Log into your class regularly and actively participate. Contact your instructor, Department Chair, or other faculty and staff if you have any questions or concerns.
2. Contact your Financial Aid Officer regarding your educational funding options.
3. Contact our Bursar's office in regards to payment and your account balance.
4. Contact Student Services to get involved with community service projects and student organizations.

BE A PRO: Progressive, Proactive, and Productive!

Office of Financial Aid

Our Office of Financial Aid would like to remind students who have not yet completed the **2011-2012 FAFSA** application that it is time for you to complete the renewal. If you intend to continue your studies you **MUST** complete a new FAFSA. However, if you are graduating before **July 1st 2011** then a renewal is not needed.

As a student, you are encouraged to take a moment to visit the FAFSA website at <http://www.fafsa.ed.gov/> to complete the application. In order to complete this you will need to have your 2010 tax information available.

Please visit www.pin.ed.gov to apply or request a duplicate PIN in order to be able to sign your FAFSA application. The school code for the FAFSA application is **031085**.

This renewal will be used to complete your Financial Aid Package for the next academic year. It is to your advantage to have this done as soon as possible so that your Financial Aid Officer can get your package together and make the process as easy as possible for you.

From the Office of the Registrar...

The Registrar is here to provide assistance to you if you need the following:

Will your interview be eye-catching enough to grant you the interview? And how will that go? Do you possess the skills to impress the interviewer; your potential employer? Finally, will you know how to manage your time, your money? Do you know the best ways to pay your school loans back? These are all very important questions. If you answered no to ANY of them, I have the information you need to have. It's called The Everglades University Leadership Distinction Program. It's a must for every student pursuing a Bachelors or Master's degree here at EU.

Each month you will be provided with a calendar of the upcoming month's seminars; including the dates, times and presenter's name. Student Service Instructors are here to help and try to work around even the tightest of schedules. You will have immediate access to the student services website and the wealth of resourceful information provided there.

Upon completion of the program, the student will receive:

- Single red honor cord to wear at graduation and denoted in commencement program
- Letter of completion of Leadership Program by Campus President
- Student Certificate

So, what are you waiting for?

THIS IS MY TESTIMONY.....

"I'm about to receive my BS in Alternative Medicine! It's hard to believe!... One day I got a phone call from someone at EU. When he mentioned the Alternative Medicine program, I thought, now this is something I'm willing to look into... Here I am, getting my bachelor's degree at the age of 60!... I intend to continue my studies and go into Health/Wellness coaching... I wish everyone much success. I will be very proud to call myself a graduate of Everglades University."

- Sandra Hawk; Alternative Medicine graduate
September 2011

Please send us your pictures, ideas, and any other service related items.

YOUR PEER'S PERSPECTIVE

"I have a few words of advice that I may be able to contribute to students in the Construction Management Program would be; Work hard in school and on the job site to set an example of who you are to your peers and employers. Hard work and going above and beyond does not go unnoticed and is likely to help you move ahead throughout a company."

-Jason McGeehan, Construction Management student and an EU Student Senate Member

GETTING INVOLVED! MAKING A DIFFERENCE!!!

GET INVOLVED

Everglades University Faculty and Staff would like to remind you that October is National Breast Cancer Awareness month. Please read your emails and web post for more information on upcoming events and fundraising activities.

Everglades University is getting involved and making a difference!

MAKE A DIFFERENCE

Cystic fibrosis (CF) is a life-threatening genetic disease that affects the lungs and digestive systems of approximately 30,000 children and adults in the United States. Research and care supported by the Cystic Fibrosis Foundation are making a huge difference in extending and improving the quality of life for those with CF. However; we continue to lose at least one precious life to CF each day.

Making a donation is easy and secure! Just click the "Give a Gift" button on this page to make a donation that will be credited to our registry. Any amount you can give is greatly appreciated!

Thank you for helping me recognize this special occasion and for supporting the mission of the CF Foundation!

GET FIT---WHILE YOU SIT!

Believe it or not, you can get fit while you sit! If this sounds like a good idea, you should try perching yourself on a giant exercise ball at your desk.

Many people are afraid that they will be laughed at if they sit on an exercise ball at their desk. However, the truth is you will get the last laugh! Sitting on an inflatable exercise ball will strengthen muscles, improves posture and balance, imparts energy, and will make you feel completely good all over your body!
