FOOD PANTRY

OUR food resource center is active for students in need. We are always collecting non-perishable food for those in need. We will formalize the Egrets Nest's operation hours but a "sneak-peek", the hours will be scheduled by appointment only for confidentiality and will be 'open' twice a month (depending on need).

We really need your help in building the Egrets Nest! Bring non-perishable foods to campus and place them in our collections box that the Alternative Medicine Students made. This is on-going food drive, but please hurry as families are in immediate need. Anything helps!

We really need your help with the upcoming seasons where friends and family get together...We can help those who need it most!
