Dr. Ronnie Kramer

New Admissions Coordinator

My name is Sharon Feingold. Originally from New York, I have lived in Florida with my two sons ages 18 and 20, for fifteen years. When my sons were small, I started creating all types of mommy and me programs for schools and camps, and soon after was teaching preschool programs. Ten years ago, I had to come up with a drama based type program for a camp of very young children and born from that was my flannel board storytelling business that combines felt stories with music and puppets. It is called "Flannel Board, Fairytales and Fun Inc." and I have been in business for ten years here in Florida serving schools, libraries and presenting at in service seminars for teachers and instructors. I started doing admissions at e-campus at Keiser University in Ft. Lauderdale and enjoyed it close to two years ago. I am now happy and proud to be part of the Everglades family and will always value education and learning.
