"I chose Everglades University because it worked around my schedule, having the degree be 100% online was great for my work/life balance. With having all of the classes online, you have time to work on school work no matter when or where you are working. My degree, Bachelors of Construction Management, will help me pursue two of my life goals, one getting back into the military as an Officer and two, which is to move up into a Construction Manager position at work."
