## Individualized Education with Your Future in Mind

#### **Small Class Sizes**

The small classes at Everglades University ensure greater interaction between you and the faculty, and will provide you with the opportunity to achieve your educational goals in a supportive, compassionate, and professional environment. Our convenient schedules will allow you to work full-time or part-time while completing your degree. Flexible day, evening, and weekend classes are available.\*

\* Please contact the campus of your choice for class schedule availability.

#### One Class at a Time

In the undergraduate degree programs at Everglades University, you complete one class per month. Taking one class at a time promotes concentration in each individual class, and will allow you to balance your education with the daily demands of our modern fast-paced world. In the graduate degree programs at Everglades University, you can complete one or two classes within an eight week time period.

#### "No Hassle" Approach

As a student at Everglades University, you will never have to be concerned with scheduling classes or needing a class that may not be offered in a particular semester. Everglades University's "no hassle" approach to scheduling means that we build your entire schedule until graduation. You will not have to go through the aggravation of standing in long lines to register for class or to obtain your class materials. Furthermore, your schedule will reflect only the classes necessary for your degree so that you will not have to experience registering for an unnecessary class or encounter gaps in your schedule. An accurate schedule tailored to your degree program allows you to graduate as quickly as possible.

#### **Quality Education**

Industry experts evaluate Everglades University's undergraduate and graduate degree programs. This industry-monitoring process helps to ensure that your curriculum is consistently up-to-date and in accordance with industry standards.

#### Academic Advising

Academic advisors are available to you in person, via phone, or by email. During your academic advising meetings, you will discuss your schedule, progress reports, grade point average, and attendance. Additionally, your academic advisor will help to assist you in reaching your academic goals and aspirations.

#### Bookstore

The Everglades University Bookstore offers you a number of services that make returning to school a "no hassle" process. If you are an online student, once you are registered for class the bookstore provides you with automatic shipping of your books. Additionally, the on-campus bookstore provides you with the opportunity to select your books in a relaxed "no hassle" environment. You may also browse and purchase Everglades University apparel and gifts through our online bookstore at www.evergladesuniversity.edu/bkstore\_mcds.htm.

#### **Student Services**

The Department of Student Services is available to assist you in various ways throughout your educational journey at Everglades University, and will aid you in your transition into the workplace environment. Prior to and after graduation, Student Services will advise you in career development skills such as résumé writing, cover letter writing, and interviewing skills that are necessary within the professional workplace environment. Furthermore, Student Services will assist you in your search for employment. By utilizing a variety of resources such as a national web-based placement service at www.collegecentral.com/evergladesuniversity and your current résumé, Everglades University possesses the ability to provide you with employment placement assistance, but does not promise or guarantee future employment.

#### Florida's Statewide

Course Numbering System Courses offered at Everglades University are identified by prefixes and numbers that are assigned by Florida's Statewide Course Numbering System. This numbering system is used by all public postsecondary institutions in Florida and 33 participating non-public institutions. The major purpose of this system is to facilitate the transfer of courses between participating institutions.

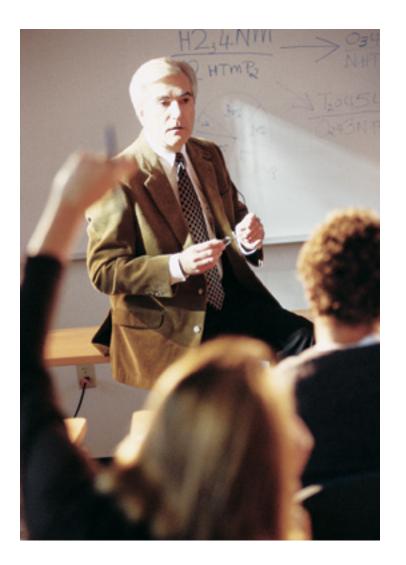

## Dedicated Faculty Make the Difference at Everglades University

#### **Industry-Experienced Faculty**

Our faculty's real world experience, in conjunction with their academic credentials and accomplishments, gives them the strong background needed to relate classroom theory to the workplace and eventually your new career. Our faculty members hold either a Master's or Doctoral degree in their area of specialty.

#### History

The history of Everglades University is both unique and diverse. Over the past two decades, the university has grown from a small college specializing in the aviation field to a comprehensive university offering both Bachelor's and Master's degrees in multiple disciplines. Everglades University began in September 1990 when American Flyers College (now Everglades University) was founded in Fort Lauderdale, Florida. In the fall of 1999, the name was changed to Everglades College. In 2003, Everglades College expanded to the West Coast of Florida with the opening of the Sarasota Branch Campus. Later that year, Everglades College received approval to offer Master's Degrees. In December of 2003, Everglades College officially changed its name to Everglades University, and in April of 2004, relocated its main campus to Boca Raton, Florida. In 2005, Everglades University expanded to Central Florida with the opening of the Orlando Branch Campus.

Our Success is Your Success: "As far as the staff is concerned, there are no questions too trivial or any problem too insignificant to be addressed promptly and with good grace."

"Everglades' instructors were very knowledgeable and helpful. My degree was a combination of online and campus classes which gave me the great opportunity to experience both ends of the spectrum." - Caterina Oliveira

2003 Graduate, **Boca Raton Campus**  "Each of my courses brought excitement, wonder and intensified my passion for aviation. My time at Everglades shall remain a pleasant and indelible memory."

> - Llewellyn Boyer-Cartwright 2004 Graduate, Boca Raton Campus

"The staff helped me in every possible way. As far as the staff is concerned, there are no questions too trivial or any problem too insignificant to be addressed promptly and with good grace."

> - Denise Parker 2004 Graduate, Boca Raton Campus

"I wanted a school with small class sizes and a unique academic program, all of which I found at Everglades University." – Dori Pritikin (Robin) 2005 Graduate, Boca Raton Campus

## **Everglades University Campuses**

The Bachelor of Science Degree with a major in Construction Management includes general education studies and offers courses in construction subjects such as Electrical Systems; Concrete and Masonry Design and Construction; Construction

## Our Success is Your Success: "I was not treated as a number, but as a person."

"My experience at Everglades University has fostered a feeling of sincerity and respect. I was not treated as a number, but as a person. My experience at Everglades University has also been met with people that I not only call my instructors but also my friends. I really do appreciate the help that I have gotten along the way, and hope that this will continue into the distant future."

> - Kirk M. Webster 2002 Graduate, Boca Raton Campus

"When I retired from the Air Force, I wanted to take the next step in my education. I had considered several institutions but Everglades University really stood out. The focused, one course per month schedule and faculty with real-world industry experience were the key points in my decision to attend E.U. The admission and financial

aid processes were effortless and my department chair took a personal interest in my progress. I thoroughly enjoyed every course I took because the instructors made them challenging and fun. There is no doubt in my mind; my bachelor degree from Everglades was the reason I was hired to work for a major aerospace corporation before I graduated! Thanks Team Everglades!"

- Scott Currie 2005 Graduate, Boca Raton Campus

growing fields in the country. Everglades University is proud to be one of the few accredited universities offering such a comprehensive alternative medicine degree program. This degree program will provide you with a holistic approach to health and wellness, which

will enable you to become a well-rounded and knowledgeable graduate. In addition, this program will provide you with an understanding of the different modalities associated with alternative medicine. Program courses include but are not limited to Herbology and Botany; Nutrition and Aging; Dietary Influences on Disease; Alternative Approaches to Arthritis, Cancer, and Heart Disease; Feng Shui; Detoxification and Healing; Ayurvedic Medicine; Naturopathy; Antioxidants; and Traditional Chinese Medicine. The Bachelor of Science Degree with a major in Alternative Medicine will prepare you for an entry-level career in the alternative medicine environment, and will further enable you to successfully incorporate a more holistic approach into your career.

Apply online www.evergladesuniversity.edu

## Undergraduate Admissions Procedures

The admissions policies of Everglades University were developed to ensure that all students have a reasonable expectation to complete their chosen degrees. In order for Everglades University to provide career education in highly technological fields, applicants should demonstrate to the University both the ability and motivation to succeed.

An Admissions Coordinator will assist and guide you in all aspects of the admissions process. Any questions or concerns that you may have about the admissions process can be answered by your individual Admissions Coordinator or may be directed to the Director of Admissions.

Students desiring to enter the University can either contact the Admissions Office or simply log on to our website at www.evergladesuniversity.edu to submit an application for admission. Students wishing to submit their applications should do so well in advance of their desired start date to permit proper scheduling and assure availability. Financial aid is available for those who qualify. To speak with a Financial Aid Officer, please contact the Financial Services Office at your campus of interest. All students local to the campus are encouraged to visit the University in person. The University utilizes a rolling admissions policy. Applicants will be notified of their acceptance or rejection to the University. All admissions services are conducted on an equal opportunity/ equal access basis.

#### Admissions Requirements for **Undergraduate Students**

In order to be considered for enrollment at Everglades University, all applicants must:

- Complete an application for admission AND
- Provide verification of high school graduation or verification of GED completion

#### OR

- Graduation from an accredited college or university OR
- Provide verification of graduation from a foreign institution comparable to a U.S. secondary school or university

#### AND

- Provide a non-refundable fifty dollar application fee plus a non-refundable five dollar transcript request fee AND
- A student should make arrangements to take Everglades University's entrance examination or provide results of a Scholastic Aptitude Test (SAT) or American College Testing exam (ACT). The University's requirements for admission are a score of at least 40 on the university's entrance exam, or a combined score of 800 on the SAT, or a composite score of 17 on the ACT. Students taking the SAT after March 2005 are required to have a combined score of 1200. Florida's CLAST exam is also acceptable with passing scores in computation and reading. Any student entering the University with an earned college degree is not required to take an entrance examination.
