2025 Year in Review

This year was packed with progress, impact, and community spirit. We launched new initiatives, expanded student engagement, and strengthened partnerships across campus and the community. From volunteer service projects and donation drives to leadership events, speaker series, and academic growth, 2025 was a year of stepping up, giving back, and moving forward. We close the year stronger, more connected, and ready for what's next in 2026.

Thank you!

WELCOME OUR NEW STUDENTS

Orlando Campus welcomes more amazing students our family! Let the journey begin!

I choose EU because my dreams of aviation drones alliance with the studies available, and that isn't really available in most locations and institution.

So far my experience has been amazing, everyone is so helpful and knowledgeable. They take time to get to know you to be get a better scope of how to help.

From the Democratic Republic of Congo, Luc is an international advocate for people with disabilities. With 23+ years of experience promoting inclusion, equity, and accessibility, he has worked with UN agencies and global partners to support refugees and migrants in crisis situations. Luc has now enrolled as a new student in our **BS in Crisis and Disaster Management** program, bringing his expertise in emergency preparedness and resilience-building to his studies.
